EDUCATION

Alliance University **08 2023 – 06 2027**
*B. Tech in Computer Science & Engineering - **CGPA – 8.0***
Bengaluru, India

WORKING EXPERIENCE

AI & Prototype Intern – Cogniq AI **05 2026 – 08 2026**

- Contributed to the development and prototyping of CRM software, working on application workflows, user-facing features, functionality, testing, debugging, and refinement using modern web technologies.
- Developed and integrated features for an AI-powered application (PawDex), collaborating with the development team to implement requirements, troubleshoot issues, and improve overall user interaction and application usability.

COURSEWORK / SKILLS

- Object-Oriented Programming
- Data Structures and Algorithms
- Database Management System (DBMS)
- Software Engineering
- Operating Systems
- Prompt Engineering
- Web Development
- Computer Networks
- Agile Development

PROJECTS

GoMAil – Distributed Email Delivery Platform **09 2026**

- Developed a distributed email delivery platform featuring campaign management, automated scheduling, personalized email delivery, rate limiting, and reliable background processing, integrating BullMQ, Redis, PostgreSQL, and SMTP for scalable and fault-tolerant email delivery.

Cine AI – AI Powered Movie Recommendation Platform **06 2026**

- Developed an AI-powered movie discovery platform with user authentication, guest access, personalized content exploration, AI chatbot integration, and interactive movie discovery features, delivering a modern and responsive experience using React Native, Expo, and TypeScript.

MyCafe – Café Management & Ordering Platform **03 2026**

- Developed a modern café management and ordering platform featuring an interactive digital menu, AI-powered chatbot, voice assistant, and customer ordering workflows, integrating React, Vite, Tailwind CSS, Firebase, and Supabase DB for a responsive and scalable application experience.

TECHNICAL SKILLS

Languages: Java, C, C++, JavaScript, TypeScript
Frontend: React, React Native, HTML, CSS
Backend: FastAPI, Node.js
Database: MySQL, PostgreSQL
Tools/Platforms: VS Code, GitHub, Docker, Expo, Kali-Linux, Postman, Power BI

CERTIFICATIONS

- Oracle Cloud Infrastructure Generative AI Professional (IZ0-1127) - Oracle University (2025)
- Oracle Cloud Infrastructure DevOps Professional (IZ0-1109) - Oracle University (2025)
- Java Certified Foundations Associate (IZ0-811) - Oracle University (2025)
